7.5 - 20 Ton

COMFORT FOR LIFE

## Commercial Curb Appeal

Daikin brand commercial packaged products offer outstanding performance. Many retrofit applications do not require transition curbs. Look to Daikin brand commercial packaged products to deliver durable and reliable performance.

## DAIKIN BRAND DCC Air Conditioner Packaged Units

### Comfort for life

Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world. Today, millions and millions of people trust Daikin to deliver comfort for life to families and businesses alike.

### Dependable compressor

One of the most critical components of a packaged air conditioner is the compressor. Daikin brand DCC Packaged

Air Conditioners boast high-performance, high-efficiency compressors, which operate in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool effectively. This exceptional construction offers one of our best levels of reliability, durability, and efficiency you'll find in a compressor.

### FEATURES:

- 1 Built-in filter rack with standard 2" filters
- 2 7.5- to 12½-ton units are convertible for horizontal or downflow applications
- 3 Full-perimeter base rail; Footprint fits many existing curbs without a curb adaptor (7.5- to 12½-ton units)
- 4 Copper tube/ aluminum fin evaporator coil

### ...AND BENEFITS:

Energy-efficient heating and cooling performance

Chlorine-free R-410A refrigerant

Heavy-gauge, galvanized steel cabinet with UV-resistant powder-paint finish resists weather and time

Air Conditioning, Heating, and Refrigeration Institute (AHRI) certified

### ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

## R-410A refrigerant

Compared to packaged units using R-22 refrigerant, your new Daikin brand DCC Packaged Unit will not only provide you with energy-saving performance for many years, but it also features R-410A refrigerant. This refrigerant does not contain chlorine.

Introduced in 1995, R-410A refrigerant has helped increase the durability and reliability of air conditioner compressors.

## OUTSTANDING WARRANTY\* PROTECTION

\* Complete warranty details available from your local dealer or at [www.daikincomfort.com](http://www.daikincomfort.com).
